General Information

Post this Business License in a visible location at your place of business. If you were issued a Business License previously, destroy the old one and post this one in its place. You can update business information, such as your location, mailing address, or phone number, and close your business online using My DOR. For help making these changes, visit dor.wa.gov/MyDORHelp. It is important to maintain users who have access to your business in My DOR. To add or remove users, visit dor.wa.gov/ManageAccessMyDOR.

Endorsements

Endorsements that have been approved will show as “Active”. Endorsements that have not yet been approved will show as “Pending” and will not have an expiration date as they require approval from the regulatory entity. Endorsements with an expiration date must be renewed by that date to avoid late fees. If there is no expiration date, the endorsements remain active as long as you continue required reporting. Tax Registration, Unemployment Insurance, and Industrial Insurance endorsements require you to submit periodic reports. Each agency will send you the necessary reporting forms and instructions.
